Pastor Moses – Uganda – Sure House

Pastor Moses visited Dunfermline recently and he was able to share prayer requests at the World Mission Prayer Meeting.

Give thanks for:

- Continued good health of Pastor Moses and his family
- A productive visit to supporters and organisations in Europe
- The many children and young people who have been educated and fed through the ministry of the Sure House and for many who have trusted in God.

Please Pray for:

- an ending to the current drought which is causing famine.
- for clean drinking water.
- for those who feel insecure that they may find God's love.
- for protection on children who are vulnerable and face kidnap and being used as "child sacrifice"
- more teachers for the School.
- younger people to be involved in the leadership of the different projects (succession planning)
- money to allow the school to meet its monthly outgoings, buy a minibus and have clean drinking water

Vacancy

Give thanks for:

- the Church profile which is available to potential pastors to look at.

Please pray for:

- the Vacancy Group: Jenny Turvey, Anne Macmillan, Gillian Downey, Ronnie Campbell, Alistair McKinlay, Pete Hutchison, Catriona Sinclair, Evelyn Stewart, Hamish Dick, Jo Albrock, Joe Fisher and Joyce Cooper
- wisdom as they meet with potential pastors
- that we would wait patiently for the Lord's timing
- for Joe Fisher as he organizes pulpit supply and for those involved in planning services

Isle of Man

Give thanks for the recent planning weekend for the Port St Mary SU Beach Mission.

Please pray:

- that the changes suggested for the programme will be implemented well
- For Panda Dooley and her work with all ages in the Pulrose area of the Isle of Man and that finance will be available for the work to continue
- Alison and Bryony and the other SU Staff and Volunteers as they work with the children and young people on the island

Scotland (taken from Pray for Scotland)

- That the presence of God will flood every community during this Lent and Easter season, opening many hearts to receive the 'Good News' that Jesus is the only answer to every problem, challenge, difficult circumstance they face.
- For the '*fear of the Lord, which is the beginning of wisdom*' to fall on our elected leaders, both in Edinburgh and London, as we enter this significant time in our history.
- For the Lord to overrule negative passions, hasty words and inappropriate actions by and between our political leaders – that they would discuss with and relate to each other with grace and calm – that they would put the interests of the nations above short-term party politics.
- That our media would focus on the facts, and less on the personalities and sensational petty details, to bring us the truth and inform us as events unfold.

Viewfield

- Remember those who are unwell
- Those who are experiencing relationship difficulties, difficulties at work and concerns for the future
- Pray for protection on our young people, families and marriages.
- For wisdom in taking forward the suggestions from the Church Gatherings.
- For us to have opportunities to speak to people about having a relationship with God through the death and resurrection of Jesus.

People

- Give thanks for a great induction service for Michael's ministry at Tottlebank and pray for him and Val as they move into this new area of service.
- Pray for Georgette at Tilley College. She is currently involved in the organisation of a new 3rd year course and teaching a course on Galatians.
- Georgette asks us to pray for a lady from Kenya called Donna who has worked for AIM for many years and has recently been through a very traumatic experience.

This is my command—be strong and courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go."
