To enable people to become fully devoted
followers of Jesus Christ

Summer Prayer 2019 v1

VISION ROMANIA

Jim and Margaret Leiper

Vision Romania have a team of 5, Led by Mark (Jim and Margaret's son) joining a team of Romanian leaders to run a week long respite camp for around about 50 children beginning on the 1st of July. These camps are an oasis in the lives of a lot of the kids; a respite from a very challenging normality for some.

This is the first summer camp that Jim and Margaret have not been at since 2008

- Please pray for the Scottish team as, despite 3 of them being out a number of times before, it is the first camp they are carrying full responsibility for.

They are taking two young people out for the first time to Romania.

- Please pray for them that God would bless them as they seek to serve others, particularly one of our team is not a Christian.

For the camp as its runs

- Please pray:
 - for safety in travel
 - for good health for the team and for all of the children
 - that God would bless them through all of the fun and games and the teaching given through skits and sketches and short Bible stories and studies.

Lifepath at Rushen Abbey in the Isle of Man

26th June to 3rd July

Lifepath is a curriculum day, organised by SU in the Isle of Man (SUMT). It explores the history of Christianity through the eyes of the Monks at Rushen Abbey. It allows the children, aged 10, to explore their own beliefs. Alison Taylor (David & Evelyn Stewart's daughter) is in charge and she organises a team of volunteers from local Churches along with others who have had some connection with SUMT. David & Evelyn Stewart, Rhona (with Nathan and Craig) McKinlay and (for the first time this year) Jenny Turvey are involved.

Please pray for:

1. enough volunteers.
2. travel arrangements for the schools to work out.
3. safety in activities.
4. the children to have a really great time, take away good memories of the day and be thinking about what they have learned during the day.

Toddlers

The Viewfield Toddlers are having a well earned break over the summer but please keep praying for them:

Please pray for:

- the parents, grandparents and carers who come into our buildings each week, that they may see the love of Jesus through those who serve in the Toddler Groups
- the children, that they may feel loved, nurtured, valued and accepted for who they are.
- the toddler leaders who are committed to this very valuable ministry, that they may feel encouraged and supported in all that they aim to be and do for God
- our Church, that we may have vision of Under 5s ministry and embrace all those who come into our groups each week.

Scripture Union Scotland Holidays are now underway with training of new team members taking place at the moment.

The first Holidays start on the 29th of June.

In particular, Rhona and Alistair McKinlay are Assistant Team Leaders at the S4 Holiday at Scoughall near North Berwick.

Please pray for the organisation of the program that they are doing at the moment.

Please pray for all the children and young people that will come to events, that they will have great fun and enjoy themselves but that they will also find out about the love of Jesus. For some who come there are difficulties at home, with friends or at school - please pray that they can find that Jesus can be a faithful friend.

David Stewart is involved in the practicalities of travel for various events - please pray for safety and the arrangements to work out.

Port St Mary Beach Mission begins on the 28th of July and runs until the 9th of August.

At the moment please pray:

- for all the practicalities
 - for enough Team and for forms to be filled in on time and safeguarding checks to be completed.
- for all the publicity going out and that new children and teenagers will come along this year

We will be updating this through the summer.

If you have any people or organisations which you would like to highlight, then please contact David Stewart – stewarts@25a.me.uk

There will be more detailed prayer letters for S4 and Port St Mary later in the summer.

Also some of the organisations produce more detailed prayer letters/information. If you would like to know more then please contact David who can put you in touch with the organisation.
