12.00 Benediction & invitation to refreshments

Thanks for joining us this morning as we worship God and celebrate completion of our building extension and refurbished Sanctuary.

We feel we are entering a new season in our journey with God and look forward with both excitement and anticipation at what may lie ahead.

If you'd like to be part of this journey, as we seek God's leading together, we gather every Sunday at 11am and/or leave your details on a welcome card we can contact you.
