

About Us What we believe

At **Viewfield Baptist Church**, we try to live our lives - both as a community and as individuals - in faithfulness and love for Jesus.

This is expressed in our vision statement:

"We exist to enable people to become fully devoted followers of Jesus Christ."

In order to fulfil our vision, we have a number of Core Values which shape the culture and ministry of the church. We will achieve this by being:

A missionary community

The church in its very DNA is a sent community to go into all the world sharing the Gospel in word and action.

A discipling community

Jesus said: "Go and make disciples of all nations." Mt. 28 We are called to be a discipling community. Our desire is to enable believers to grow as disciples of Jesus Christ.

A loving community The New Testament emphasises the importance of committed relationships. We are saved as individuals but we are called to express and grow in our faith in a community of love. (ie. The local church)

A worshipping community

In all we do our desire is to lift high the name of the Lord and glorify him.

A serving community The Bible describes the church as the body of Christ. Every one of us has a part to play in the life of the church and we want to equip, enable and empower each person to serve the Lord.

It is essential that our vision and values are underpinned by **individual and corporate prayer**, and outworked by our God gifted congregation. In our recently introduced Structures, ministries are supported under the headings of Prayer, Children and Families, Discipleship, Support Ministries, Fellowship, Mission, and Pastoral Care.
