Bible Study Questions

- 1) What are some of the clear and present dangers of money and possessions?
- 2) In what ways can we store up treasure in heaven?
- 3) Salvation impacts every aspect of our lives. We can only truly be saved when we recognize our need as people who are lost. Have you opened your heart and home to Jesus? If not, do so now.
- 4) Immediately Zacchaeus is saved, he begins to try and put things right with others. Is there anything you need to put right with others? Do it in obedience to Jesus.

The Alpha Course week 7

A busy week at Alpha with our usual conversations, and joke from Rae! On Thursday, we learned how about how God guides us. God promises to guide us and has good plan for our lives. He guides us through commanding Scripture, compelling Spirit, counsel of others, common sense and circumstantial signs. This coming Thursday, 24 Mar (week 8) we think about 'how can I resist evil?' The course then breaks for Easter and resumes on Thursday 15 April.

#keep Praying!
