Box with “Try Praying” booklets

We have put up a “Try Praying” banner over our old front entrance and a box on the fence which contains the “Try Praying” booklets. Please pray that as the shops open and more people pass that they will take a booklet and use it to “Try Praying” and as they do may they have an encounter with God. Please also pray that people will also be challenged to “Try Praying” by seeing the banner, other publicity or finding the website.

Praying for India

All-loving God, whose compassion knows no bounds, we pray for the people of India, as they face the overwhelming tide of suffering and loss wrought by the spread of Covid-19. For those who mourn, we pray your comfort, for those who tend the sick, we pray your strength, for those who are decision makers, we pray your wisdom. And for countries which are rich in supplies and expertise, we pray for a generosity to share what they have. In the name of Christ. Amen

- Please pray for the plans to reachout to children, teenagers and families when conditions allow.

Scottish Election – May 6th

‘Your kingdom come in Holyrood as it is in heaven?’ [CARE / Pray for Scotland]

Let us pray that prayer, and believe that as we do, God will respond and we will see a change in our Parliament. Declare out loud that as the Kingdom emerges there it will:

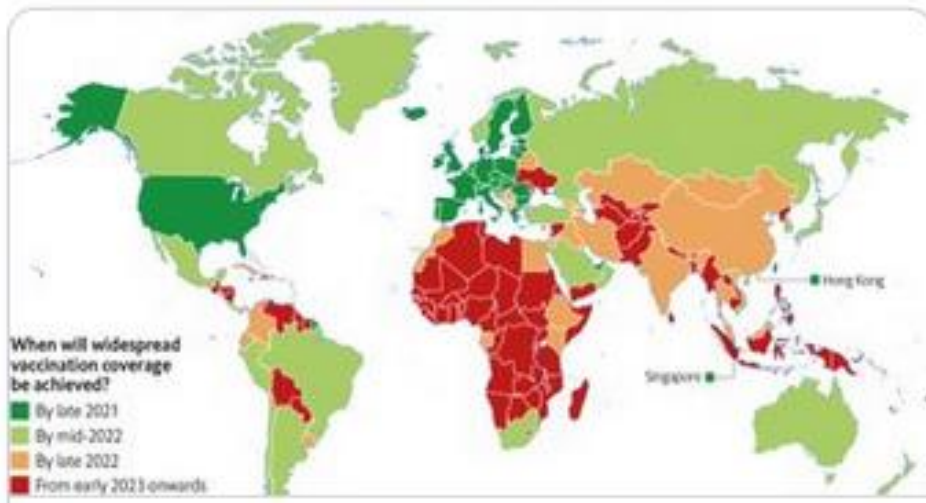

- bring political enemies together;
- build cross-party respect;
- influence what Bills are brought forward for debate;
- encourage political forgiveness;
- create respect for the value of human life;
- frustrate those who would have a negative or even destructive impact on Scotland;
- result in many MSP’s and officials accepting Jesus as their Saviour and Lord!

Our best chance of ending this pandemic is to ensure that everyone, everywhere has access to COVID-19 vaccines, tests and treatments. We’re supporting the call for a #PeoplesVaccine today: can you take action for a fairer global vaccine programme?

*** Coronavirus

Give thanks for the various vacancies and for the difference that they are making in a number of countries.

Give thanks for all those who have worked on these and other medicines which have and will make a difference in the fight against the virus.

Please pray that everyone will have access to vaccines and medicines and that governments will act not just in there own interests but also in the interests of other countries.
