

Weekly Prayer Diary – 12th November 2021

The God of Heaven will give us success. We his servants will start rebuilding. Nehemiah 2:20

“And don’t let us yield to temptation” (Matthew 6:13a) - Some of us think that we can get “close to the fire” without getting burnt but no one is immune from temptation. Let us pray for another not to yield to temptation but to stay alert, I Peter 5:8 says “Stay alert! Watch out for your great enemy, the devil. He prowls around like a roaring lion, looking for someone to devour”

Discipleship and Outreach Courses: Pray for the new short 3 week course from Christianity Explored called “Hope Explored”, exploring Hope, peace, and purpose. This will take place in January followed by Christianity Explored course in the lead up to Easter. Please pray about people who you could to invite to these new courses at Viewfield alongside the other courses we regularly do.

COP26 – Glasgow Sunday 31st October until Friday 12th November

Lord, the earth is yours and everything in it.

Today we lament our broken relationship with you, your world and its inhabitants. We cry out for your glorious creation, for the loss of species and ecosystems, each one a work of your hand.

We lament for the times we have lived as though the earth's resources are limitless, for our unwillingness to feel the suffering of others and readiness to live comfortably with injustice. Forgive us our wrongdoings, challenge our apathy, strengthen our resolve and inspire us with hope that we might live sacrificially for the sake of creation and global neighbours. Meg, Tearfund.

Give thanks for Compassion UK and the difference it makes in lives of Children.

Give thanks for Adrian Turk's ministry both with Compassion and also as he encourages those that he meets in his work.

Pray that we realise that we can make a difference in peoples lives in Dunfermline and around the world with God's help.

Lord God, we pray particularly for countries in our world who have less resources and infrastructure to respond to the Coronavirus. Lord God, in your might and power would you limit the impact of the virus in some of the most vulnerable communities in our world. Give governments great wisdom as they put in preventative measures. We pray for any cases to be identified and isolated quickly.

Lord, would you also greatly bless and protect the vaccination roll-out programmes happening across our globe. May you multiply their effectiveness in protecting and saving lives. We pray against vaccine inequality and ask that countries would collaborate and serve each other, working together to fight the virus. Lord, help all of us to understand what it means to love our global neighbour as ourselves.
