

The Viewfield Community

As a Church Fellowship we have these

Core values:

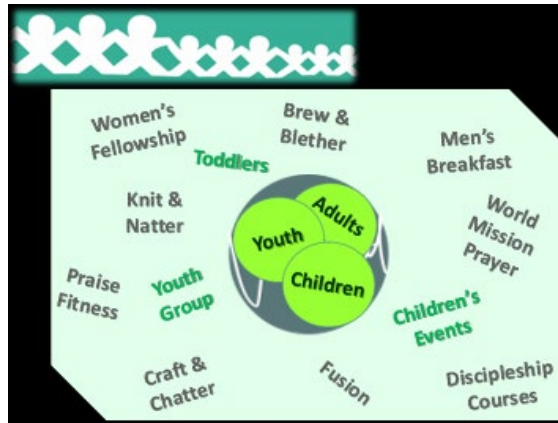

- A missionary community
- A loving community
- A discipling community
- A worshipping community
- A serving community

To put the Core Values into action we have a number of Ministries:

Ministries:

- Children & Families
- Discipleship
- Fellowship
- Mission
- Pastoral Care
- Prayer
- Support

We are looking at each Core value over a few Sundays. Last week we looked at “Everyone Included” or “Growing Younger”, whilst not a Core value as such, it is very important to ensure that everyone from young to old is included in what we do.

Let us pray that we remember that Children and Young People belong at the core of the Church.

Let us think prayerfully about how we can nurture them, give them opportunities to serve and enable them to share their faith.

Please pray for people to cover these jobs:

Helpers for

- Children’s Church
- Children’s Mission events
- Toddlers
- Youth Group

Overall Leaders for

- Toddlers
- Small Talk

Some of the jobs don’t necessarily mean working directly with children/young people e.g. we need people to help set up/tidy up at Toddlers

Pray for children, young people, families and events in general
Consider praying for a specific family and making time to get to know them

Soft Play, Sensory Room and Cafe

PRAY FOR UKRAINE

Ukraine Refugees – Vision Romania

Maria Putator in Romania, who owns and operates Casa Harului, where the Vision Romania respite camps take place has re-opened to take in Ukrainian families

Give thanks that the Centre has been able to reopen quickly to give some Ukrainian families a safe place to stay.

Please that the families will get rest and recuperation. Pray for on-going repairs to the building and for sufficient income to cover repairs and running costs.

Trafficking at the Border of Ukraine

International Justice Mission - [Ijm.org](https://ijm.org)

More than a million Ukrainians are fleeing their country to escape the invasion. This crisis has displaced an entire nation of people, making them vulnerable to exploitation.

An IJM team member at the border explained the urgent crisis like this, "Everyone has access to refugees coming through the border on foot - hundreds of people are coming in every hour - and while many local people are offering genuine help, we can't be sure everyone is there to be kind. There may also be exploiters waiting to take advantage of tired and vulnerable women and children.

Please pray for protection on those fleeing and that they will not be exploited. Give thanks for IJM and other agencies seeking to protect the vulnerable and give thanks that the Romanian government has started acting to create safe zones and monitor access to refugees.
