EXPLOITATION AND SLAVERY

Lord Jesus, You know every single person who has been drawn into modern slavery: forced to work for little or no pay, with limited freedom and living in poor living conditions, often experiencing physical, sexual and emotional abuse. Please deliver them and help them to find healing and restoration. Through Your loving grace. Amen.

Pray for pupils and staff as the main exam season is well underway. It will be the first time that many sit or oversee an exam in school for over two years. Remember those with additional support needs and those who have missed parts of their courses or are now unable to sit exams. Remember pupils you know who are taking exams.

Many pupils who are sitting exams and leaving school will be anxious. Pray for peace and perspective for all. Pray those without a faith will look to Christians and see a difference in their attitude during this term. Pray Christians will be ready to give a reason for the hope they profess.

Ukraine Refugees – Vision Romania

Maria Putator in Romania, who owns and operates Casa Harului, where the Vision Romania respite camps take place has re-opened to take in Ukrainian families.

Give thanks for God’s provision and for the people who are showing God’s love in difficult circumstances. Pray for on-going repairs to the building and for sufficient income to cover repairs and running costs.

You can give at: justgiving.com/campaign/VRUkraine or use the QR code.

Update from Jim and Margaret - Vision Romania

The camp at Casa Harului has had many Ukrainian refugees coming for respite. Some have stayed days, some weeks before moving on to other places. One family who have been at camp since the beginning of the conflict have left recently to return to Ukraine. They wanted to return as their elderly and ill grandparents are still in Ukraine.

While the refugees are at camp the team have tried to organise some activities for them. While some of the team took the children for walks, games, crafts etc. others were able to talk to the parents. They managed to access some Ukrainian Bibles and tell them the gospel. Three of the parents came to faith and have been telling their relatives, on the phone, about the peace they have received from God.....one response was ‘tell me how I can get God’s peace’.

At this time there are 18 people staying at the camp - 9 children, 3 grandmothers, 3 mothers, 2 fathers and a single lady.

Thank you everyone that has supported this cause, either through Justgiving, bank account or giving us cash to put into the account. It looks like Casa Harului will be continuing to welcome more refugee families for a while yet. Please be assured that the donations will be put to good use showing God’s love

Please continue to pray for our sisters and brothers in Ukraine who are serving in the midst of the most difficult of circumstances. Baptist leaders write: "Every day we gather news for you to the sounds of air raid sirens. Each such siren can end in rocket attacks."

Despite these attacks, the Baptist Union Coordination Center continues to receive and send aid across Ukraine. During the 75+ days of the war, the humanitarian center in Lviv has received and sent out more than 127 twenty-ton trucks along with at least 320 vehicles – providing much-needed supplies to those in need.
