

Today we pray for those struggling to afford food amid rising inflation, as the latest ONS data shows that the cheapest brands of pasta rose in price by 50% over the past year. Those with less money spend a higher proportion of their income on food, so inflation in budget ranges can be particularly devastating. God, we pray for change in this situation.

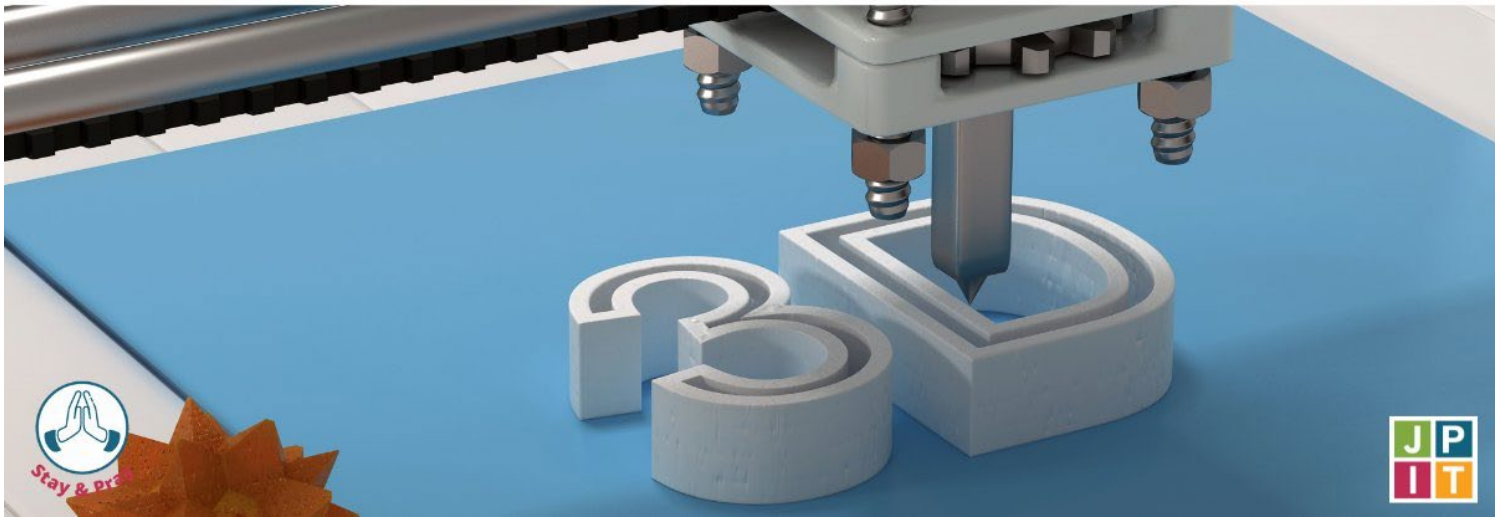

**Church Picnic.**  
18<sup>th</sup> June 2022  
12 noon.  
BURNTISLAND LINKS

Pray that many would come and enjoy the Church picnic on Saturday 18<sup>th</sup>

Today we give thanks for 3D printing technology that can print buildings such as schools quickly and at low cost. This can be transformative in countries with a shortage of such buildings and less money to spend on building them. God, we thank you for the creativity latent in human imagination and the natural world. Help us to use these assets to make the world a better place.

### Ukraine Refugees - Vision Romania

The camp at Casa Harului has had many Ukrainian refugees coming for respite. Some have stayed days, some weeks before moving on to other places. The camp will still be continued to be used for the foreseeable future. Donations will still be needed and are put to good use showing God's love to people who have gone through great trauma.

You can give at: [justgiving.com/campaign/VRUkraine](https://justgiving.com/campaign/VRUkraine) or use the QR code.

Today we pray for an end to the war in Ukraine, as the conflict recently passed the 100-day mark. It has become a prolonged war of attrition, costing countless lives. God, for the sake of Ukraine, its citizens, soldiers on all sides, the land, and those around the world affected by food and energy shortages, we pray for peace.

### Jane Edwards – BMS Mozambique

Jane is one of our link missionaries, which means that we pray for her work. We had the great privilege of speaking to her by the wonders of Zoom on Tuesday evening.

Jane has been working with BMS World Mission in Mozambique since May 2017. Using her legal skills, Jane is working to help the most marginalised gain access to justice

in partnership with AMAC – the Association of Mozambican Christian Lawyers. She is also involved with a local church and is very involved with the women's group as well as leading and preaching.

Jane asked us to pray:

- for the new Juris Law App. AMAC interpreted Mozambican laws into clear language and [Equip Mozambique](#) created audio recordings of the interpretations along with illustrations and packaged this into a free app (5.4 million people have a smart phone)
- for the country to recover from all the natural disasters such as cyclones.
- For AMAC to have more opportunities to work with community leaders
