Scripture Union Holidays and Missions Summer 2022

Eco1 - Adventure In Creation – 2nd to 9th July 2022

Anthony and Rachael Luxton (Anthony did a placement with us and is now the Pastor of Dunfermline West Baptist Church, Rachael works for SU) have organised a new SU Holiday called: "Adventure in Creation" which is all about getting outdoors into God's awesome creation, based at the Alltnacriche centre. They are partnering with A Rocha, a Christian environmental charity. The programme for the week will show the best that the stunning Cairngorms has to offer, exploring amazing hillsides, forests and rivers, and then talking about it around a campfire! STOP PRESS Unfortunately they have tested +ve

for Covid so they have handed over to Moraig who was chief cook. Sarah will step up to chief cook.

Please pray for

- the last minute changes to the team and for no further health issues
- the young people attending that they would be able to connect with God during the week, especially those who haven't before and that they will be open to learning more about the story of Jonah and how that can be applied in their lives
- the young people, team and team children to get to know each other well and that there would be a real family feel and that the team would work well together, to support each other and the young people.
- good weather for exploring the area
- energy levels and capacity for a fun-filled week as many of the team are coming straight from a working week

Ukraine Refugees - Vision Romania

The camp at Casa Harului has had many Ukrainian refugees coming for respite. Some have stayed days, some weeks before moving on to other places. The camp will still continue to be used for the foreseeable future. Donations will still be needed and are put to good use showing God's love to people who have gone through great trauma.

You can give at: justgiving.com/campaign/VRUkraine or use the QR code.

Our Schools have now broken up for summer - please do pray for teachers and support staff to get rest and refreshment over the summer. However some of the nurseries continue to be open over the summer and admin staff will continue working as well as teachers taking time to prepare. Please pray for them.

Some young people will move on to work, college or University, please pray for them.

P7s will be moving on to Secondary School. For some this can be very daunting. Please pray for them.

Today we pray that the traces of polio discovered in London would be kept under control. The risk to the general public is low, but its re-emergence is concerning after the UK was declared polio-free in 2003. God, we are grateful that this disease is rare and that nearly all are protected from it by vaccination. We pray that it would not spread.
