Ukraine Refugees - Vision Romania

The camp at Casa Harului has had many Ukrainian refugees coming for respite. Some have stayed days, some weeks before moving on to other places. The camp will still continue to be used for the foreseeable future. Donations will still be needed and are put to good use showing God's love to people who have gone through great trauma.

You can give at: justgiving.com/campaign/VRUkraine or use the QR code.

Today we give thanks for Paraorchestra, an ensemble of professional disabled and non-disabled musicians. The group are working to overcome a range of challenges faced by disabled artists, giving them a platform to perform. God, we give thanks for those who challenge barriers to participation. We pray that the music industry would be more accessible for those with disabilities.

GOSPEL RESPONSIBILITIES

O God, please forgive us when we fail to respond to Your call to be light and salt in the world: to share the good news of salvation and then work it out through our giving and going to bring healing, peace and provision to those around us. May we increasingly reach out to those in greatest need. In Jesus' name. Amen.

GOSPEL RESPONSIBILITIES

Heavenly Father, please strengthen and encourage Christians who have been called to public life in the government of people. May they walk in Your ways, to speak and act with humility, integrity, courage and wisdom to benefit society and do good to those whom they serve. Amen.
